

Cube Grater

Combining three of the most popular Microplane®, made in the USA, surgical steel blades, the Cube Grater offers home chefs a versatile and fun-to-use tool to tackle a host of food prep tasks. Measuring a mere 3.25 x 3.25-inches in diameter (or 8.9 x 8.9- cm in diameter)— the Cube Grater's small size belies its powerful ability to quickly and flawlessly grate myriad soft and hard ingredients. The Cube Grater features the Fine, Ribbon and Coarse blade styles. Key features also include a durable, transparent cover that doubles as a catch feature with 1 ½ cup (or 350ml) capacity and measurement marks on three sides.

Features:

- Three original, made in USA, blade styles – Fine, Ribbon and Coarse
- Generous catch and measure with up to 1 ½ cup capacity (or 350ml) with graduation marks on 3 sides
- Catch feature doubles as a reusable cover
- Compact design for easy storage
- Grater is dishwasher safe/Hand wash cover
