

Herb & Salad Chopper

Known for its innovative designs, Microplane's new Herb & Salad Chopper reenergizes and modernizes the traditional mezzaluna with a distinctively modern and smart design to make prepping salads and a full array of herbs, as well as other commonly used ingredients, faster, easier, and more convenient.

Features:

- Surgical grade stainless steel blades
- Easily and efficiently chop fresh or dried Basil, Rosemary, Cilantro and Parsley
- Also used to mince onions, garlic, chocolate and nuts
- Retractable blade for convenient and safe storage
- Top rack dishwasher safe
- Ergonomically designed soft grip handle
