

# Spice Mill

Featuring high quality, razor-sharp, made in the US grinding blades that are safely positioned at the base of the mill, the Microplane Spice Mill effortlessly grinds whole nutmeg and sticks of cinnamon for the most flavorful and aromatic results when cooking and baking. For added convenience, the Spice Mill also includes a small airtight compartment on the top to store whole nutmeg and pieces of cinnamon stick. It's crafted in classic black with a soft touch coating that provides a comfortable and secure grip.

## Features:

- Convenient airtight storage in top
- Grinds hard spices like cinnamon and nutmeg
- Soft touch coating
- Made in USA blades
