

**Microplane**  
THE ORIGINAL®

# Veggie Wedgie

New from Microplane® is the extraordinarily sharp, precise, and very fun to use Veggie Wedgie. This cleverly designed kitchen gadget lets you create up to six perfectly even vegetable wedges and sticks at a time without needing knife skills. Other foods can also be cut with the Veggie Wedgie, such as hard boiled eggs to garnish salads. Use the Veggie Wedgie's innovative design and expertly engineered blades to quickly cut carrots, cucumbers, zucchini, and other ingredients into beautifully formed wedges for healthy snacks, crudite platters, salads, stir fries, and more.

## Features:

- Makes 6 perfectly wedged sections without the need for a knife or a cutting board
- Wedged foods are perfect for snacks, salads, party trays, lunches and stir fries
- Simply place food in the chute and press down
- Dishwasher safe
- Suggested foods:

Cucumbers, Zucchini, Squash, Carrots,  
Hard Boiled Eggs and Roma Tomatoes
